

Sam B. Bruce

2021 will be my 50th year of patrolling. Over that time, I have served in many patrol positions from instructor to patrol director (three times) to division advisor to special assistant to the national director. In all of those, my focus on what is best for the patroller and the entire organization.

My National #6119, 1 Silver Merit Star, 2 Yellow Merit Stars. Served as Senior Examiner for Ski, Toboggan, and OEC. Member of Atlanta Olympic Games Medical Team, CPR Instructor/Examiner, Avalanche and Mountaineering Basic and Advanced Courses.

Trained with German, Swiss and French mountain rescue services in Europe. Licensed EMT in NC and VA. Patrol Director for beta test site for initial Winter Emergency Care course. Worked with all divisions as Special Assistant and Division Advisor

I have been fortunate to be a Senior Executive Leader with over 30 years of extensive public and private experience in Information Security Management, Program Management, Information Assurance, Public Relations and Technology.

I am a Certified Information Security Manager (CISM), Project Management Professional (PMP®), Certified ScrumMaster (CSM), Certified Six Sigma Green Belt (CSSGB), SC Notary Public, a licensed USCG Master Captain and have a Master's Degree in Mass Communications. I am also a retired Army officer.

These skills support the current needs by the board in their memo: National Ski Patrol Board of Directors List of Needs.
